

Niklas Färeborg

Junior Full Stack Web Developer

👤Profile

Junior Software Developer with Diploma in Full-stack Software Development From Code Institute. Proficiency in HTML, CSS, JavaScript, and Python.

Eager to start my new career in tech after 12 months of learning new skills

Learning Remote as well as working full-time.

Good knowledge to lead others and planning work schedule

Wanting to keep learning and further my knowledge in software development.

Not shy to work or take responsibility

I'm a valuable team player with strong communication skills and effective problem-solving ability.

Works well with a team as well as on my own.
